2. Layer the A - 5" square onto the D - 5" square. Draw one diagonal line onto each of the 2 squares. Sew ¼" seam down each side of the center line. Cut on the drawn line and press toward the dark. Trim each of the 4 squares down to 4 ½" square.
3. Now lie out all the squares as shown above and sew them into rows. Each row will measure 4 ½" x 12 ½" and then sew the rows together into block. The block will measure 12 ½" square unfinished. Congratulations you have finished your block of the month. Don't forget to bring the bag back with the block next month. Thank You!!!!
